

# Andy Rowan, State of New Jersey 2016 Outstanding Service Award

Andy is Deputy Chief Technology Officer, formerly the Director, NJ Office of GIS. Andy has been involved with NSGIC since the 2005 Annual Conference in Rochester, NY. Andy was first elected to the NSGIC Board in 2010. He has co-chaired both the Address and Transportations Committees, represented NSGIC on addressing issues at the National Address Summit and earlier this year represented NSGIC at the Mapping Science Committee meeting on addresses in Washington DC. Andy has provided a valuable voice into issue and provided advice on board calls.
