Geo-Enabled Elections
Monday Workshop Pre-Work and Agenda

Pre-work

- Review the agenda closely so you are prepared to participate in all sections of the workshop
- If you have questions or comments regarding the agenda and pre-work, please reach out to Jamie Chesser, jamie.chesser@nsgic.org 720-379-4992 for clarification
- Bring all questions you have regarding the project
    - We will have large posters on the wall where participants can hang post it notes with questions, comments, and thoughts on various areas of the project. There will be a general GEE project questions poster as well
- Be prepared to answer the following:
    - What are your goals for being here today? How would you like to contribute?
